

Attractions & Activities Pass Scheme – List of Participating Members

Your attractions and activities pass is just one of the benefits you receive from being a member of MWT Cymru.

This is a current list of attractions and activity providers who have agreed to take part in the scheme.

Depending on the type of attraction/activity, one of the following will apply unless otherwise stated:

- FREE entry/participation for yourself +1 guest, if their standard adult fee is less than £20.

OR

- 50% discount for the pass holder +1 guest, if their standard adult fee is more than £20.

The pass is intended for familiarisation purposes and we ask members not to use their pass more often than one visit per attraction/activity per year.

You should contact the attraction or activity provider in advance (where pre-booking is indicated) and present your pass upon arrival. Please be ready to take supplies of literature from the attraction/activity provider for display in your own premises.

Please avoid using your pass during Bank Holiday weekends, the months of July and August and other busy times, and note that admission/participation remains at the discretion of the attraction/activity provider at all times.

For any questions about the attractions and activity pass scheme, or if you run an attraction or activity business and would like to be listed, please contact MWT Cymru on 01654 702653 or email info@mwtcymru.co.uk
